

MANAGEMENT OF RISK(MoR®) FOUNDATION & PRACTITIONER

Introduction

Effective management of risk helps you to improve performance. Informed risk-taking helps to improve performance through innovative approaches for managing the business, service delivery and value for money. Management of Risk (M_o_R®) is the best practice developed by the UK government. This course covers the latest version of M_o_R® released in December 2010.

This is the traditional five-day approach to gaining the Practitioner qualification. It is an intense course that will require delegates to prepare thoroughly and be prepared for evening work throughout the course. The course will take delegates through the two levels of examination qualification finishing with the Practitioner examination on Friday afternoon.

Target Audience

This course is ideal for any staff with Risk Management responsibilities, in project, programme or operational activities, or who are involved in improving Risk Management practice in their organisation.

- Directors
- Operational Managers
- Programme and Project Managers
- Risk Managers
- Business Change Managers

Course Benefits

- Increased confidence to delegates in real world application of effective Risk Management.
- Thorough knowledge of the M_o_R® methodology at theory and application level.
- Application of M_o_R® methodology to a complex case study
- Thorough knowledge of M_o_R® at theory and application level.
- Potential to continue to Consultant level accreditation.

Duration: Five days

Pre-Requisites: Previous experience of Risk Management in a working environment and completion of pre-course workbook and reading.
