

PRINCE2® 2017 FOUNDATION eLEARNING

Introduction

PRINCE2®¹ (Projects IN Controlled Environments, Version2) is a structured method for effective Project Management. Developed by the UK Government, the PRINCE2® method is internationally accepted as the leading “best practice” Project Management approach and is widely used in the private and public sectors, both in the UK and internationally.

This **accredited eLearning course** covers the 2017 version of the PRINCE2® Project Management method and prepares delegates for the **Foundation** examination.

Target Audience

Anyone filling a significant role in project, for example:

- Project Managers
- Project Assurance
- Project Support
- Team Leader
- Project team members

Course Benefits

- Delegates will be fully prepared to take the PRINCE2® Foundation examination either online or as part of a one-day exam workshop
- Potential to continue to Practitioner level

Duration: Approx. 12 hours

Pre-Requisites: None
