Aspire Europe Limited
helping organisations to manage change

PROGRAMME MANAGEMENT INTRODUCTION - eLEARNING

Introduction

Managing Successful Programmes (MSP®) is the de-facto standard developed by the UK government for delivering change programmes in the UK. This course is an overview of the key principles of Programme Management and the processes that should be followed to achieve a successful outcome.

Target Audience

Senior Managers often find this course stimulating as it brings together several management concepts and aligns the concepts of Project Management and business change:

- Senior Managers
- Programme leader
- Programme office staff
- Project teams
- Operations staff involved in Change Programmes
- Business analysts

Course Benefits

- Introduction to key concepts of Programme Management
- Recognising the drivers for change and how they are harnessed.
- The critical steps for any programme
- Understanding the differences between programmes and projects

About Aspire Europe

Our roots are entrenched in Change Programme Management and Performance Management and we are committed to improving the efficiency and effectiveness of organisations through the transfer of our knowledge and experience to your people.

We constantly strive to offer refreshing, stimulating and interesting events facilitated by consultants with a wealth of experience and examples to enhance your learning experience.

We offer further accredited courses to continue your development.

Duration: Approx. four hours

Pre-Requisites: None required. This course is designed for people with minimal experience.
