helping organisations to manage change

# MANAGEMENT OF RISK (MoR®)

## FOUNDATION eLEARNING

### Introduction

A certain amount of risk taking is inevitable if your organisation is to achieve its objectives. Effective management of risk helps you to improve performance. Informed risk-taking helps to improve performance through innovative approaches for managing the business, service delivery and value for money. Management of Risk (M\_o\_R®) is the best practice developed by the UK government.

This accredited eLearning course covers the latest version of M\_o\_R® released in December 2010 and prepares delegates for the Foundation examination.

### Target Audience

This course is ideal for any staff that needs to learn and apply the concepts of risk management and specifically understand the principles and language of the M\_o\_R® method.

- Directors
- All levels of Managers
- Programme and Project Managers
- Programme and office staff
- Business Change Managers
- Business Consultants

### Course Benefits

- Potential to achieve the Foundation level qualification
- Thorough knowledge of the M\_o\_R® methodology at theory and application level.
- Option to sit exam online or as part of a one-day workshop
- Potential to continue on to Practitioner level.

**Duration:** Approx. 12 hours

**Pre-Requisites:** Some previous experience of Risk
